

## Partner One Password Retrieval Guideline

Step 1: Log in Partner One ( <https://one.sangfor.com/> )  
Select the appropriate login option based on your region.

Step 2: If you forgot or you can't find your password, you can click "retrieve password".

Step 3: Enter your email to receive a verification code.

Step 4: Reset the new password and use your new password login.

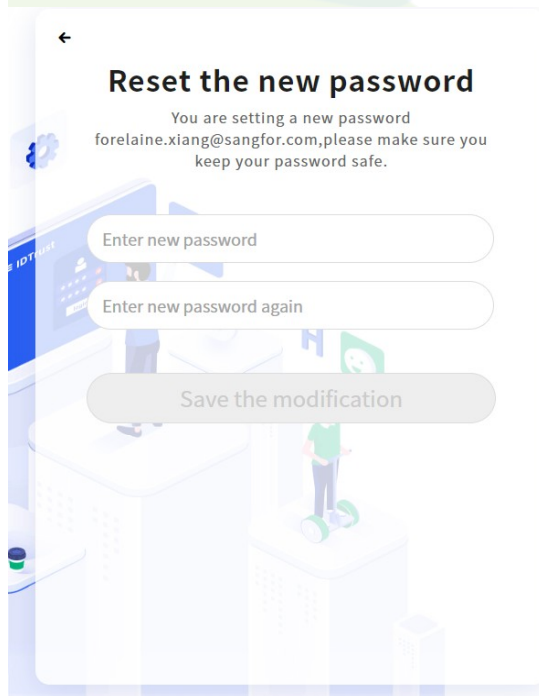

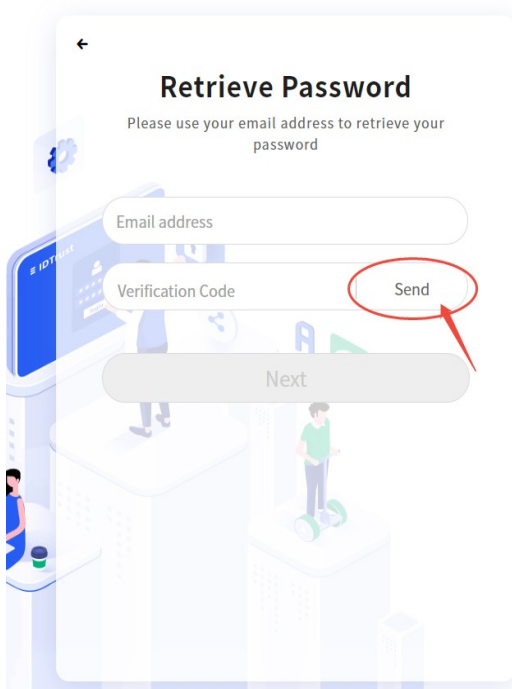

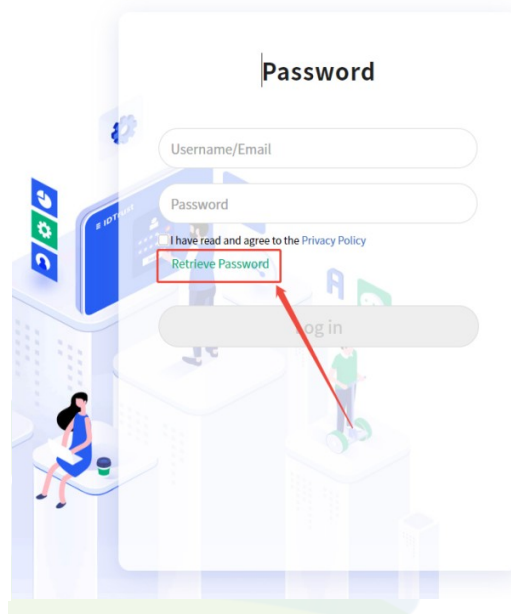

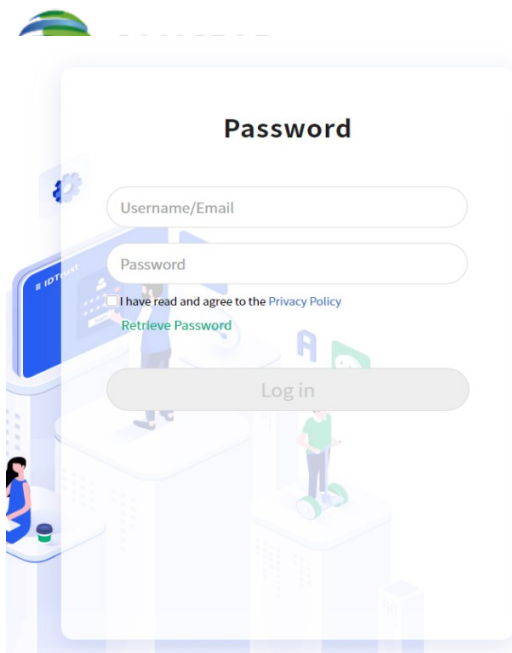

Step 5: Save the modification and log in to Partner One with the new password.
