

# How to take the written exam

## 1. Two ways to open the written exam page.

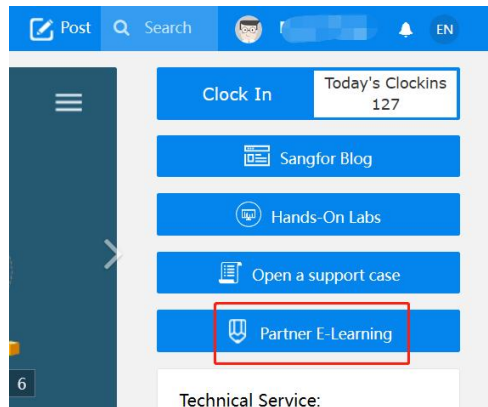

### First way:

- 1) Use the follow link (<http://e.sangfor.com/study/center/my/task/exam>) to access the exam page, and first time access need to login with the account of community.sangfor.com.
- 2) Choose the correct exam and click the 'Start', and you need to complete the exam and submit your answers within the stipulated time.

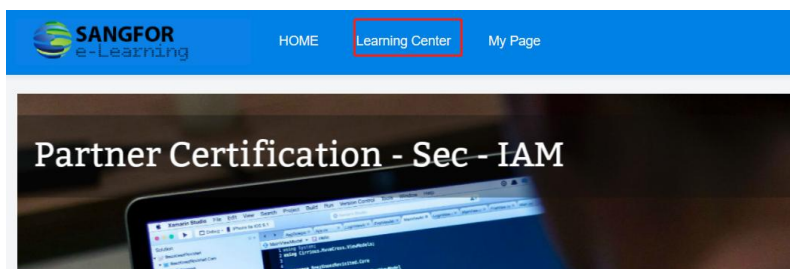

### Second way:

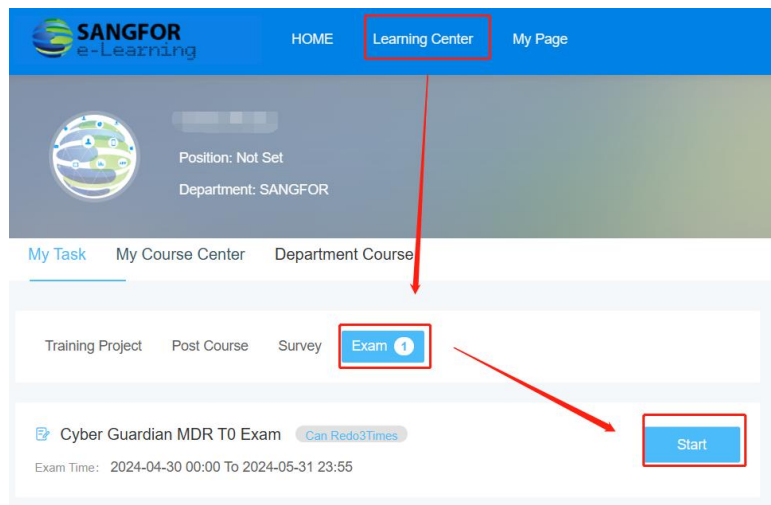

- 1) Login <https://community.sangfor.com> and click 'Partner E-Learning' button.

- 2) Click the 'Learning Center'

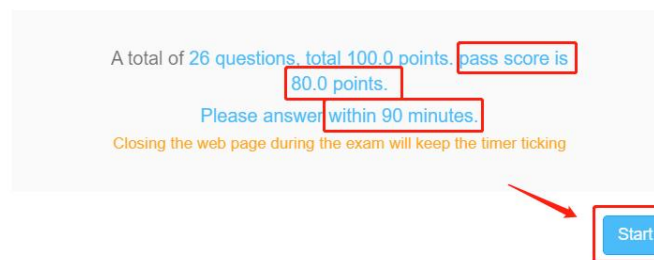

3) Then click the 'Exam' button, and choose the correct exam and click the 'Start'. And you need to complete the exam and submit your answers within the stipulated time.

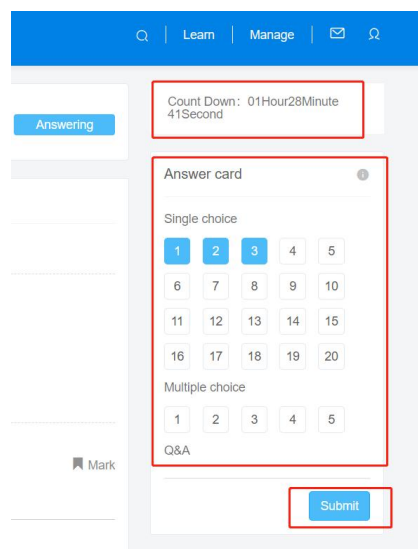

2. Check and confirm the information, and start the exam.

**i** Test instruction

3. On the right side of the exam paper is the Count Down and you can check the left time. Below is the answer card.

4. You must submit once you finish all the answers, or **the system will automatically submit after the exam time is over.**

5. We will review the Q&A within one week after the exam is submitted. Then you can log in and view the exam results.
