

1 What is the Sangfor Certification Program?

This certification program is only for Sangfor partner post-sales engineers or Sangfor employees. Corresponding training materials can be obtained from the knowledge base.

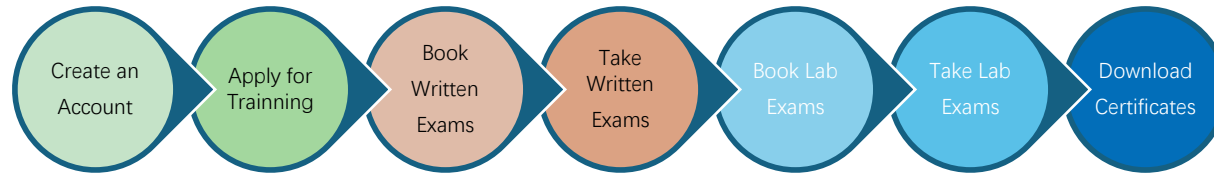

Path: Sangfor Community > Resources > Knowledge Base, then choose the **Product** name, **Document** type and **Language**.

The screenshot displays the Sangfor Knowledge Base search interface. It features three main filter sections: Product, Document, and Language. The Product section lists various categories like IAG, Endpoint Secure, and Cyber Command. The Document section lists document types such as Configuration Guide, Release Notes, and Training Center. The Language section lists languages including English, Spanish, and German. Below the filters is a 'Tags' section with dropdown menus for Product (IAG), Document (Training Center), and Language (English), along with a 'Reset' button. A search bar is located at the bottom left, and the search results are displayed below it. The first result is 'Sangfor_IAG_V13.0.80_Associate_2024' with a fire icon, and the second is 'Sangfor_IAG_V13.0.80_Professional_2024' also with a fire icon. The search results show the number of relevant items (6) and the number of views (280) and likes (364) for the first result.

The certification exam includes associate and professional levels:

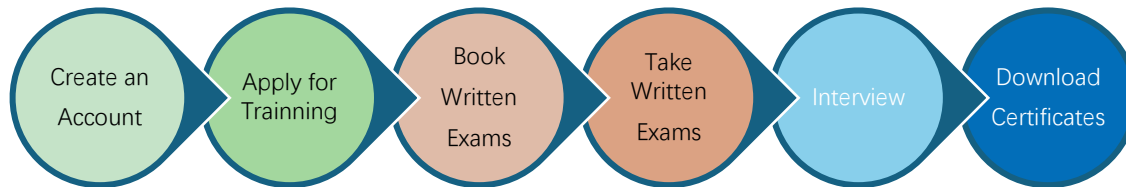

1) SCTA - Sangfor Certified Technical Associate: Theory Exam + Lab Exam

Seven-Step Process for Certification Exam (Associate Level)

2) SCTP - Sangfor Certified Technical Professional: Theory Exam + Interview

Six-Step Process for Certification Exam (Professional Level)

2 Complete Guides to Sangfor Technical Exam (Associate Level)

Exam Guides Section 1 | Prepare a Partnership Account

Sangfor technical certification exam is only available for Sangfor staff and Sangfor partners. All the exam candidates will be required to verify their identity through the **Sangfor Partner Portal** before logging into the exam system. **Therefore, a Partner Portal account is a must.**

[Click this guide](#) to create your Partner Portal account.

Exam Guides Section 2 | Log into Certification Exam Platform

Step 1: Log into [Sangfor Community](#) with a community account or **Partner Portal** account.

You can use your verified partnership account in the community or Partner Portal account to log into the forum.

Log In

Log In

Auto-login

[Forgot Password](#) [Register](#)

or

PP

Partner Portal

Password

[Retrieve Password](#)

Log in

Note: if you don't know how to create a Partner Portal account, [click here](#) to know more.

Step 2: Click on **Partner Certification Exam** on the homepage.

The screenshot shows the Sangfor community website. The top navigation bar includes 'Home', 'Forum', 'Categories', 'Resources', 'Self Services', 'Get Started', 'Post', 'Search', and user profile options. The main content area features a blue banner for a 'Security Webinar' titled 'Exploring the 2024 CyberRatings Enterprise Firewall Test with Vikram Phatak', scheduled for July 18 at 16:00 GMT+8. A 'REGISTER NOW!' button is visible. The right sidebar contains several blue buttons: 'Clock In' (Today's Clockins: 75), 'Sangfor Blog', 'Partner Certificate Exam' (highlighted with a red box), 'Open a support case', and 'Partner E-Learning'. Below these is a 'Technical Service:' section.

Step 3: Select either of the following ways to login to the exam system.

You will be navigated to the homepage of the exam system after you type your account and password.

The screenshot shows the 'Sangfor Certification Exam Platform' login page. It features a dark blue background with a glowing blue frame around a central area containing the Sangfor logo. Below the logo are two blue buttons: 'Sign in with Sangfor community' and 'Sign in with Sangfor Partner Portal'.

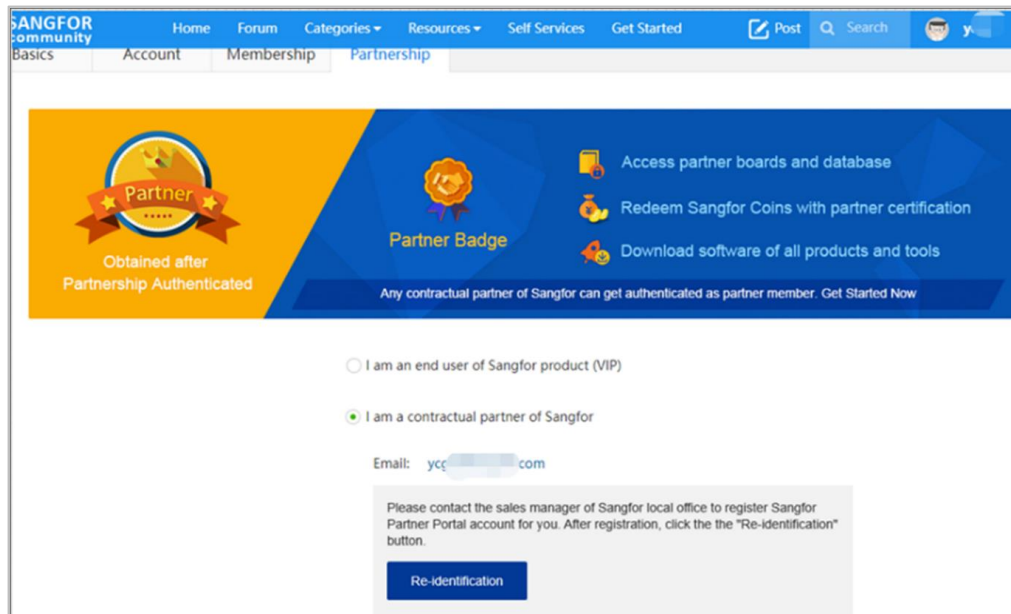

The screenshot shows the 'Sangfor Certification Exam Platform' dashboard. The top header includes the Sangfor logo and the text 'Sangfor Certification Exam'. Below the header, there are tabs for 'All', 'In progress', and 'Ended'. The 'In progress' tab is selected. The dashboard displays a progress bar and a date range: 'Date: Thu Jul 18 2024 - Sat Aug 31 2024'. Below this, there are two steps: '1 Register' and '2 Lab exam' (with a 'View results' link). The exam title is 'Sangfor Certified Technical Associate - Cyber Command (Theory exam)'. The exam time is 'Tue Aug 13 2024 16:45:00'. At the bottom, there are three steps: '1 Register', '2 Theory exam', and '3 Lab exam'.

Note: If you can't see the **Partner Certification Exam** button after you sign in with a **community account**, it means that your partnership identity hasn't been synced with Sangfor Partner Portal successfully. There are **two steps for you to troubleshoot the issue**.

Step 1: Ensure that you have a Partner Portal account. If not, please [refer to this user guide](#) to create one to complete your partnership identification.

Step 2: Re-identify your community account after creating the Partner Portal account successfully.

Path: go to **Community Account > Profile > Partnership** and click **Re-identification**.

Exam Guides Section 3 | Get Trained for Sangfor Technical Exams

If you want to successfully pass the technical exams, you can contact your sales representatives to apply for training. We also have prepared some detailed and comprehensive learning materials on the **Sangfor Knowledge Base** for you to learn more about Sangfor products.

Path 1: Login to **Sangfor Community** > **Resources** > **Knowledge Base**, and then choose **Product** name and **Document** type.

Exam Guides Section 4 | Book a Written Exam

Before you book the written exam, you need to prepare for your exam account ([Click Here](#)).

Step 1: Log into **Sangfor Community** > click **Partner Certification Exam**.

The screenshot displays the Sangfor Community website interface. The top navigation bar includes links for Home, Forum, Categories, Resources, Self Services, Get Started, Post, Search, and a user profile icon. The main content area features a large blue banner for a "Security Webinar" titled "Exploring the 2024 CyberRatings Enterprise Firewall Test with Vikram Phatak". The banner includes a "REGISTER NOW!" button and a "LIVE WEBINAR" badge. The date and time are listed as "JULY 18 16:00 GMT+8". On the right side, a vertical menu contains several buttons: "Clock In" (with a sub-menu showing "Today's Clockins 75"), "Sangfor Blog", "Partner Certificate Exam" (highlighted with a red border), "Open a support case", and "Partner E-Learning". Below these buttons is a "Technical Service:" section.

Step 2: Sign in with a Sangfor Community or Partner Portal Account.

Step 3: Check the exam list.

The screenshot shows the exam list interface. At the top, there are three tabs: "All", "In progress", and "Ended". The "All" tab is selected and highlighted with a red box. Below the tabs, there are two exam entries. The first entry is "Sangfor Certified Technical Associate - Cyber Command" with a date range of "Date: Fri Jun 07 2024 - Tue Dec 31 2024" and a progress indicator showing "1 Register" as the active step, followed by "2 Theory exam" and "3 Lab exam". A blue "Reserve Now" button is located to the right of this entry. The second entry is "Sangfor Certified Technical Professional - Cyber Command" with the same date range and a progress indicator showing "1 Register" as the active step, followed by "2 Theory exam" and "3 Interview". A blue "Reserve Now" button is also present to the right of this entry. The background of the interface is light gray with a repeating watermark of the email address "616060443@qq.com" and the date "Fri Jun 14 2024 10:26:46".

Step 4: Click on **Reserve Now** to book the written exam.

All In progress Ended

Sangfor Certified Technical Associate - Cyber Command

Date: Fri Jun 07 2024 - Tue Dec 31 2024

1 Register 2 Theory exam 3 Lab exam

[Notice](#) [Introduction](#)

Sangfor Technologies Certification Examination Specifications and Violation Penalty Regulations Channel Management Department

1. purpose

Sangfor certification is an important standard for measuring the technical capabilities of engineers. To uphold fairness and impartiality in Sangfor certification exams and to ensure strict adherence to examination conduct, we've implemented detailed examination guidelines and penalty regulations for any violations. These measures create an atmosphere of integrity and transparency, promoting a fair and honest examination process for all involved.

2. Scope

These specifications and regulations apply to all candidates participating in Sangfor technical certification (including theory and lab exams). Candidates must strictly abide by the relevant regulations.

3. Exam format

Closed book exams

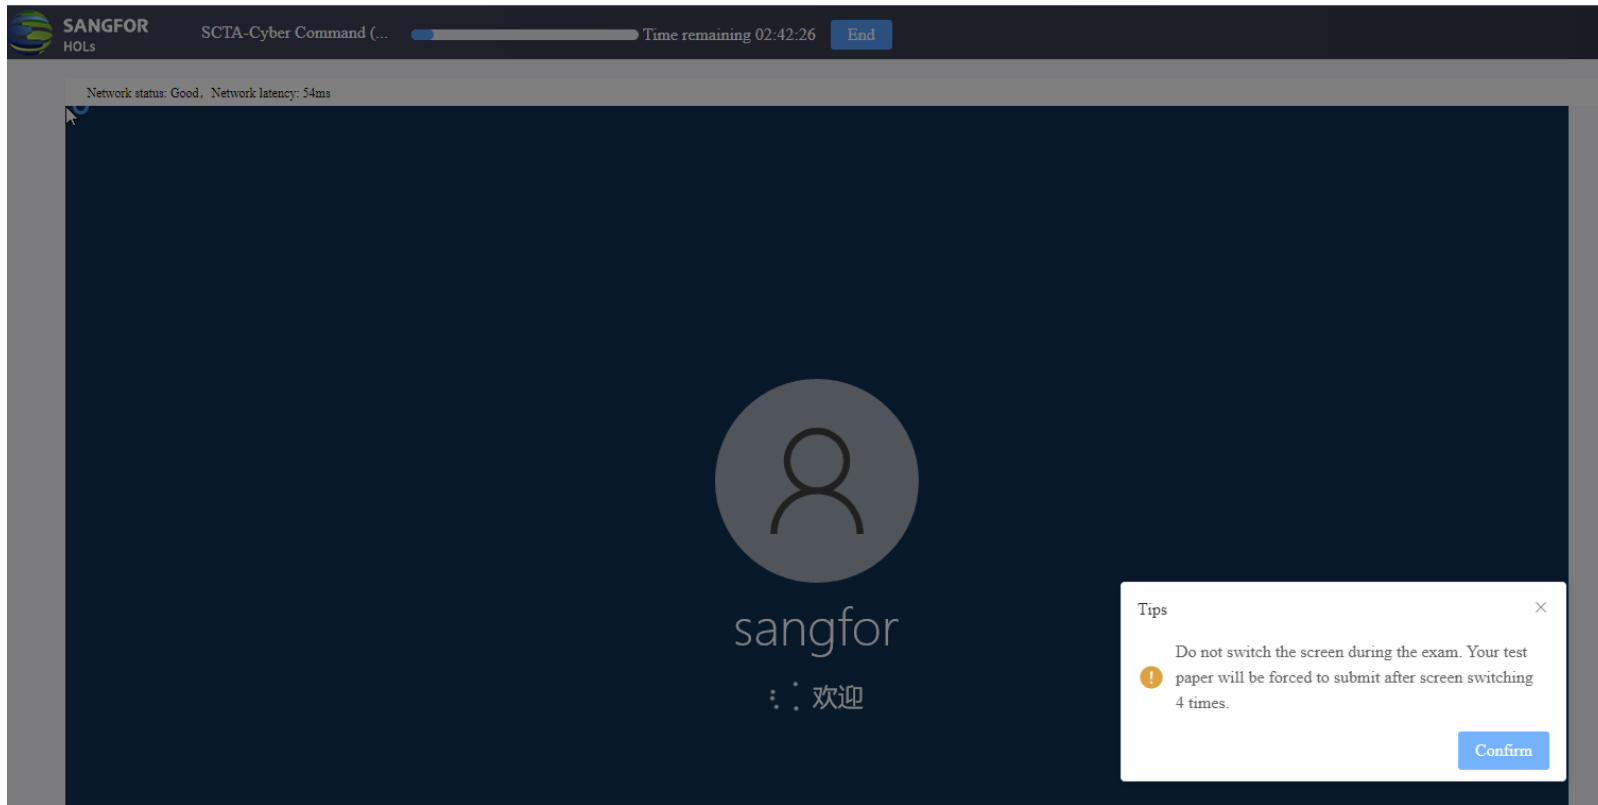

4. Specifications

Sangfor certification exams are divided into online exams and offline exams. Different types of exams come with specific specifications. Remote exams are required to adhere strictly to Articles 1-8, while office offline exams must comply with Articles 1, 5, 6, 7, and 8.

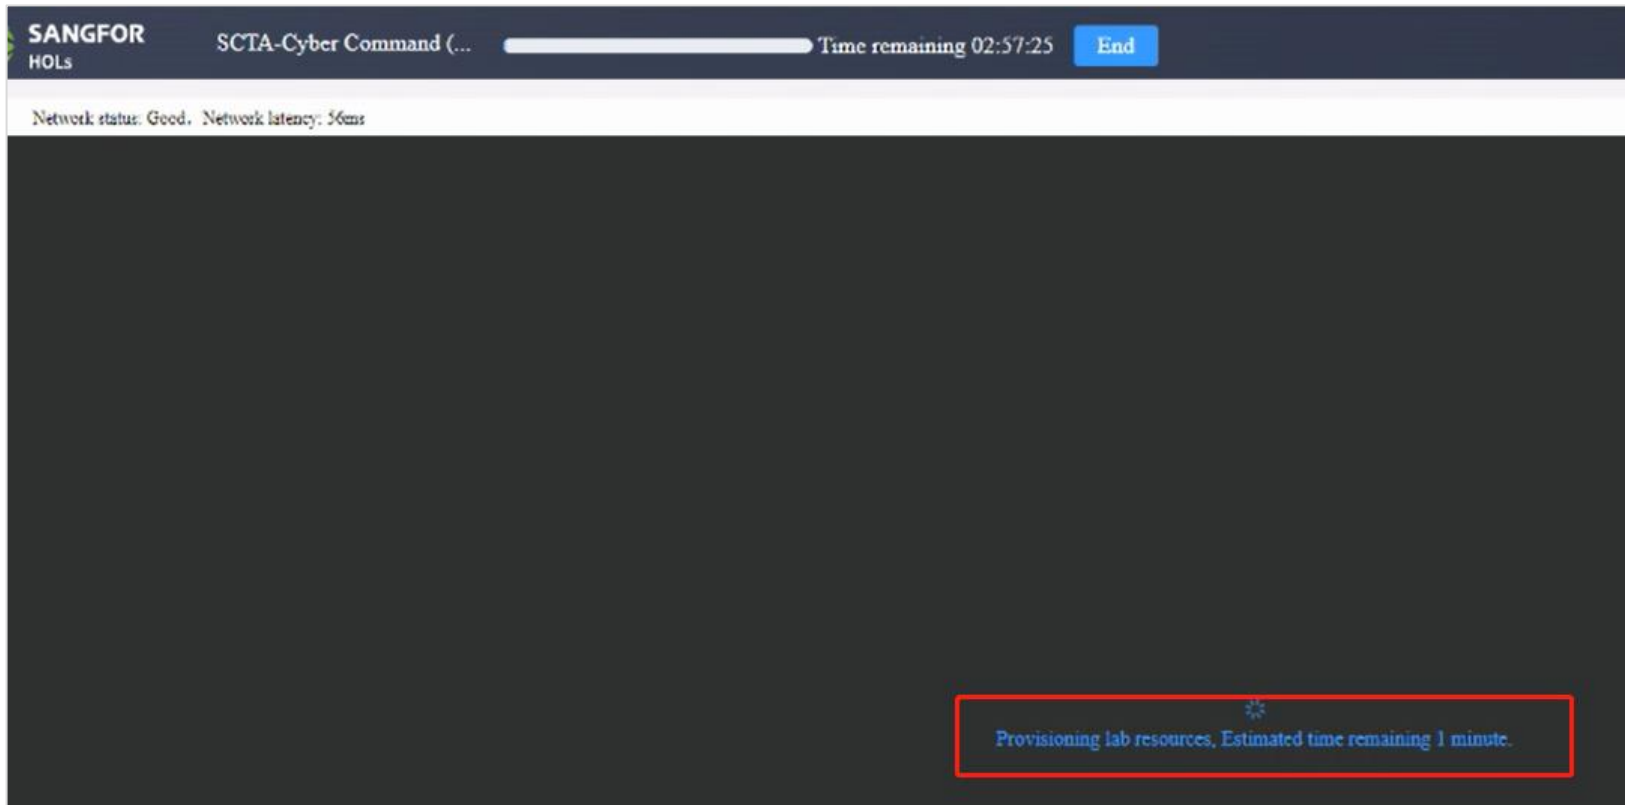

- 1) Respect the authority of invigilators and other examination staff, refraining from any actions that may impede their duties.
- 2) Create a quiet and conducive examination environment before the designated exam time, ensuring no disturbance or bystander nearby.
- 3) Ensure the computer or mobile phone camera is operational and positioned appropriately. During the examination, invigilators will monitor via video conferencing to oversee the entire process. Maintain visibility within the camera frame. In case of any technical issues or inability to meet requirements, notify the examiner promptly to arrange cancellation. Failure to comply during the exam will result in disqualification.
- 4) Remain within the camera's view throughout the exam. If an emergency requires temporary absence, notify the examiner immediately. Prohibited actions during the exam:
 - a. Communicate or discuss with individuals nearby during the exam.
 - b. Access external information sources such as web pages, slides, or documents during the exam.
 - c. Share questions or answers with others.
 - d. Take photos, videos, or other forms to record the exam.

5. Penalties for Violations

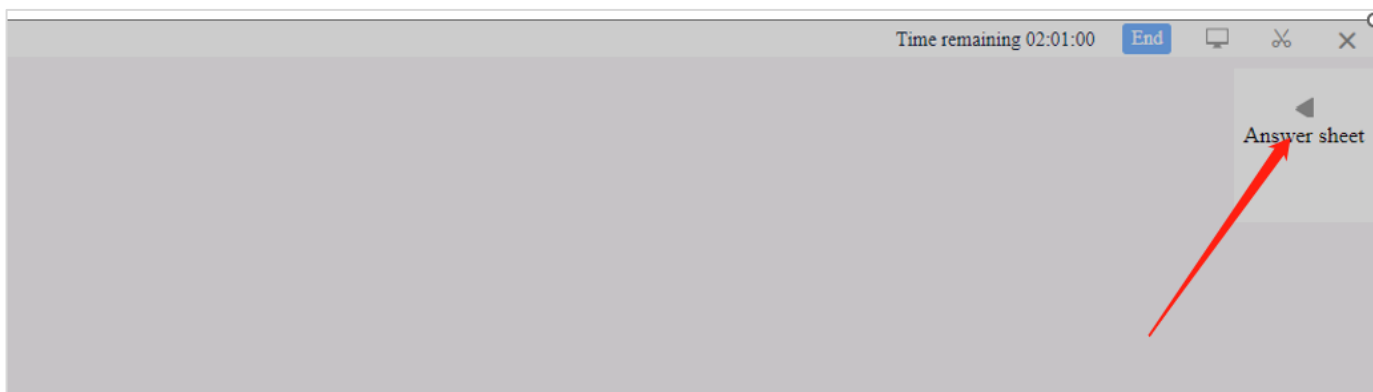

Step 3: Confirm the pop-up notification. Lab exams only can be taken in **Fullscreen mode**, and you cannot **switch the screen**.

It will take about **30 seconds** to prepare for the lab resource. If you fail to load the page when in a bad network, you can try to reload again.

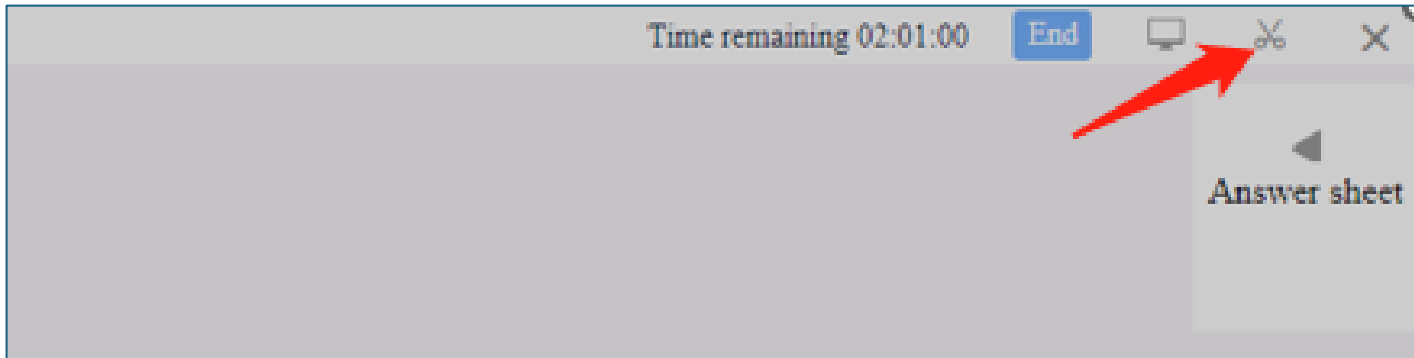

Step 4: Click on the **Answer sheet** to check the **Exam Questions**, **Answer Sheet** and **Examination Notice**.

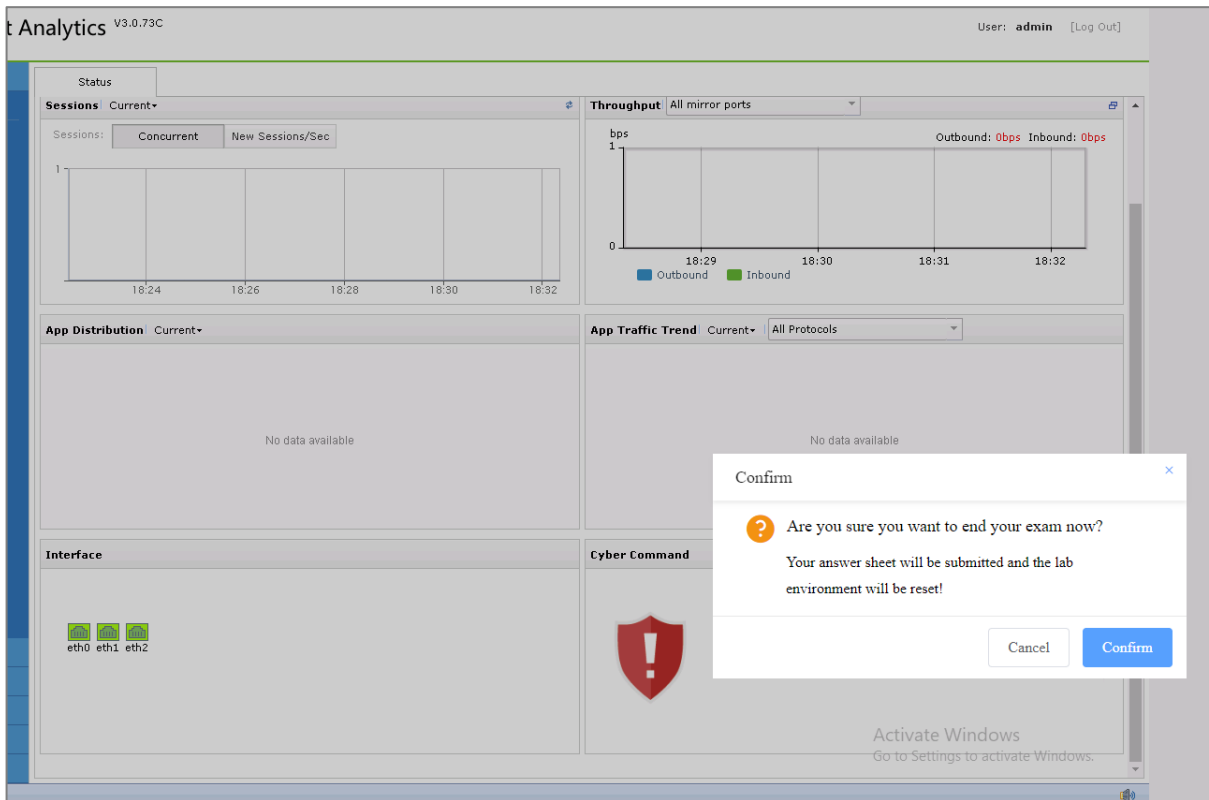

The screenshot shows a web-based exam interface. At the top right, a timer indicates "Time remaining 02:57:07". Below the timer are three tabs: "Exam questions", "Answer sheet", and "Examination Notice", all highlighted with red boxes. The main content area is split into two panels. The left panel is dark and contains a loading spinner and the text "Provisioning lab resources, Estimated time remaining 1 minute." The right panel is light gray and contains the heading "1. Background" followed by a table of devices.

Device name	quantity
Cyber command	1
STA	1
NSF	1
ES	1

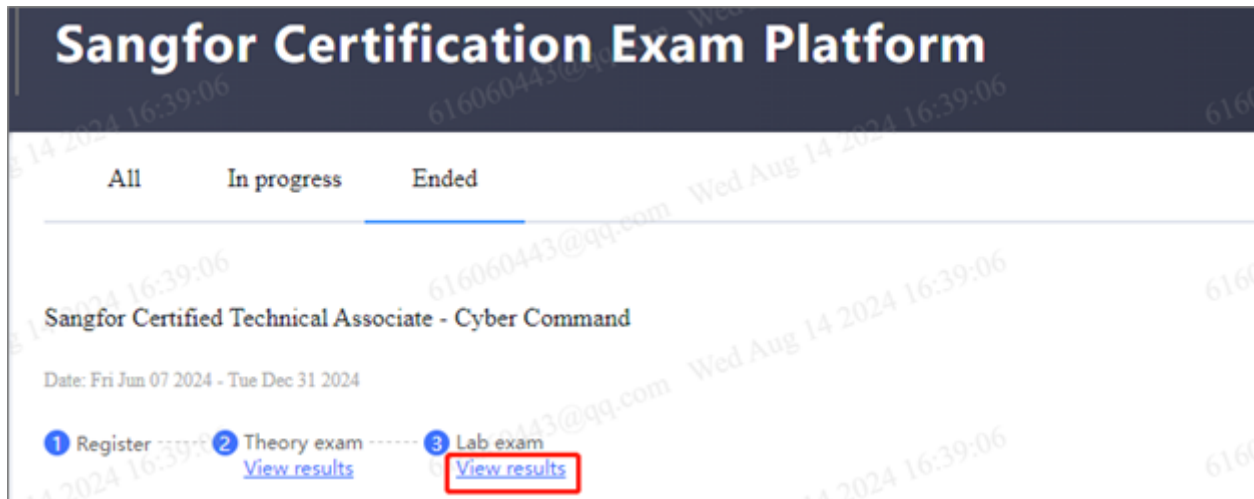

Step 5: You can click on the **screenshot icon** to take the screenshot after you complete your **configuration for each question**. The screenshots will be automatically uploaded and pasted to the answer sheet.

Step 6: Click on **End** to submit the lab exam answer sheet. The lab exam answer sheet will be reviewed within 5 days.

You can check the exam result in the **Ended** menu bar after you take the exam **5 days later**.

Exam Guides Section 10 | Book a Lab Make-up Exam

The make-up exam reservation will be available within **3 months and 3 times in total**.

- 1) The first make-up exam reservation will be available **1 week after** the last result release.
- 2) The second make-up exam reservation will be available **1 week after** the last result release.
- 3) The third make-up exam reservation will be available **1 week after** the last result release.

The process for reserving a lab make-up exam is the same as the written exam mentioned above.

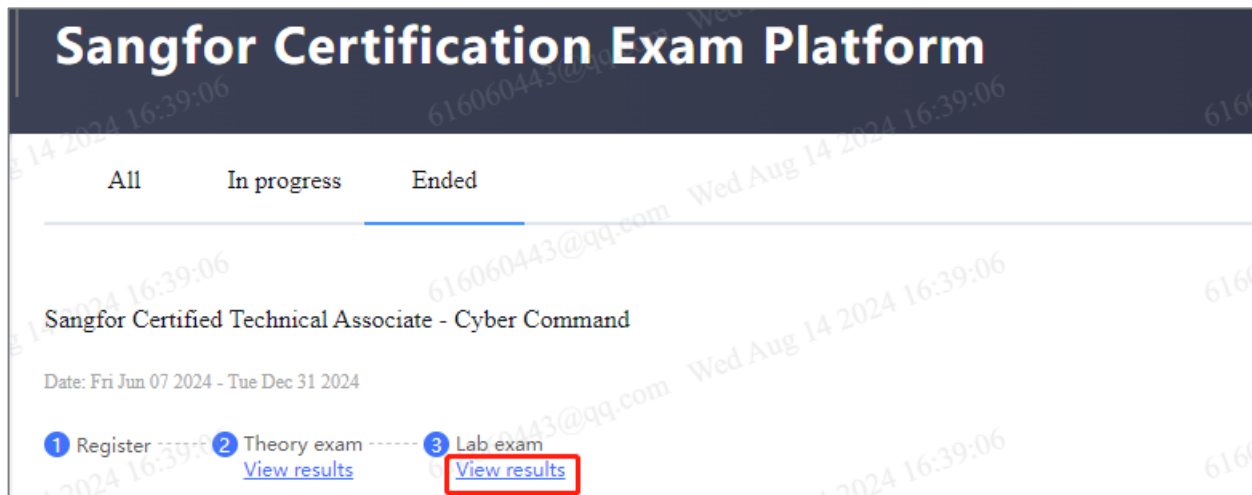

Exam Guides Section 11 | Check the Result of the Lab Exam

Generally, you can check your exam result **5 days after the lab exam**.

Path: Login to **Sangfor Community** > **Partner Certification Exam** > Exam System > **Ended** > Lab Exam > **View Results**

The screenshot shows the top navigation bar of the Sangfor Community website. The navigation menu includes: Home, Forum, Categories, Resources, Self Services, Get Started, Post, Search, and a user profile icon. Below the navigation bar, there is a large banner for a "Security Webinar" titled "Exploring the 2024 CyberRatings Enterprise Firewall Test with Vikram Phatak" with a "REGISTER NOW!" button. To the right of the banner is a sidebar with several utility buttons: "Clock In" (Today's Clockins: 75), "Sangfor Blog", "Partner Certificate Exam" (highlighted with a red box), "Open a support case", and "Partner E-Learning".

The screenshot shows the "Sangfor Certification Exam Platform" interface. At the top, there are tabs for "All", "In progress", and "Ended". Below the tabs, the exam title "Sangfor Certified Technical Associate - Cyber Command" is displayed, along with the date range "Date: Fri Jun 07 2024 - Tue Dec 31 2024". A progress bar shows three steps: 1. Register, 2. Theory exam (with a "View results" link), and 3. Lab exam (with a "View results" link highlighted by a red box).

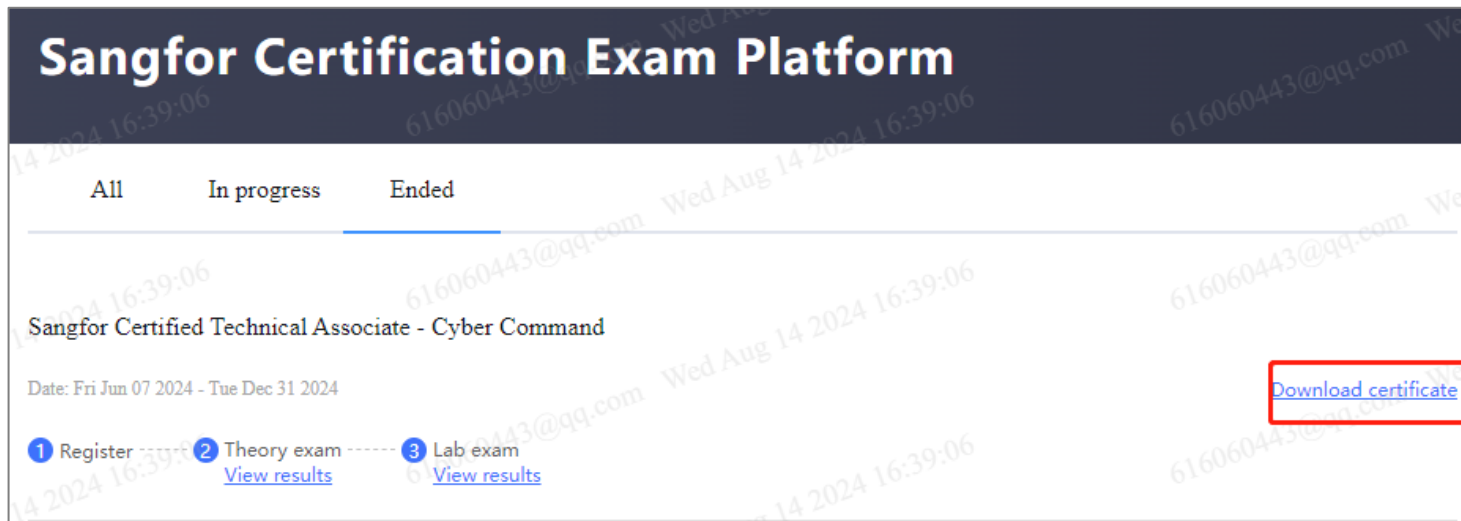

Exam Guides Section 12 | Download the Certificate

If you take the exam on the **Certification Exam Platform**, you can check the certificate both from the **Sangfor Community** or **Exam System**.

Path 1: Log into **Sangfor Community** > **Partner Certification Exam** > Exam System > **Ended** > **Download certificate**

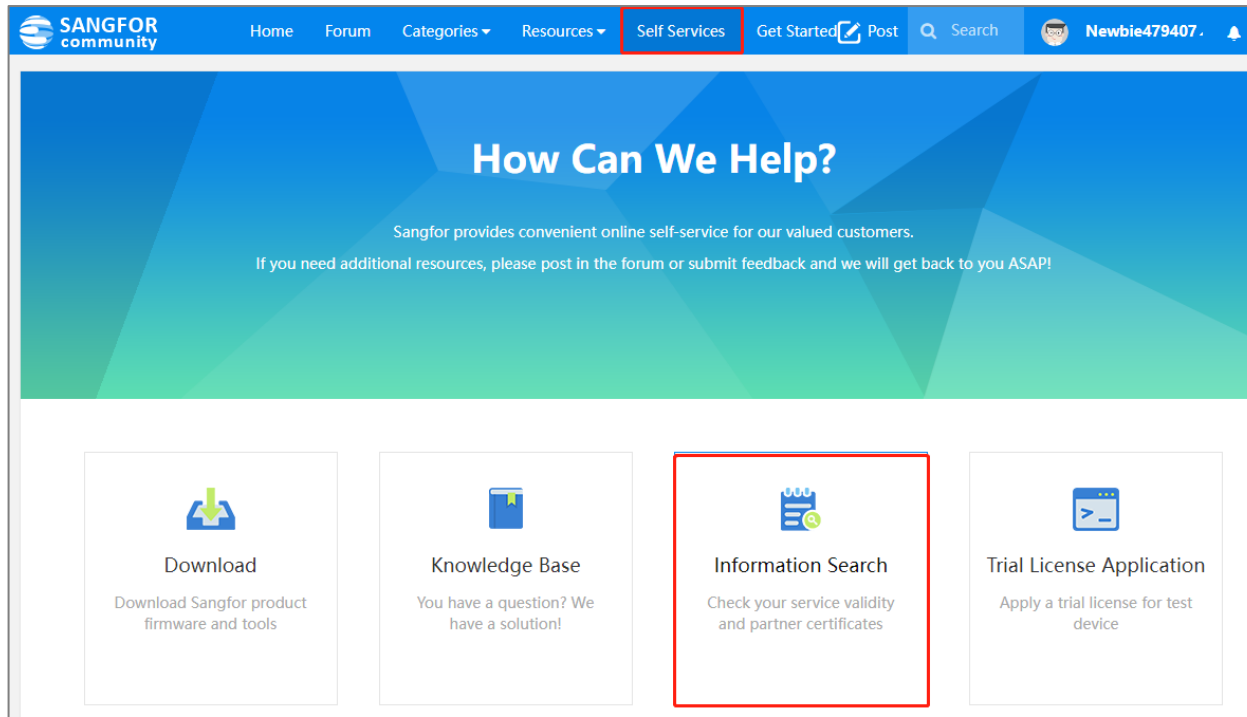

The screenshot shows the top navigation bar of the Sangfor Community website. The navigation menu includes: Home, Forum, Categories, Resources, Self Services, Get Started, Post, Search, and a user profile icon. Below the navigation bar is a large blue banner for a "Security Webinar" titled "Exploring the 2024 CyberRatings Enterprise Firewall Test with Vikram Phatak". The banner includes a "REGISTER NOW!" button and a "LIVE WEBINAR" badge. To the right of the banner is a sidebar with several buttons: "Clock In" (Today's Clockins: 75), "Sangfor Blog", "Partner Certificate Exam" (highlighted with a red box), "Open a support case", and "Partner E-Learning". Below these buttons is a "Technical Service:" section.

The screenshot shows the "Sangfor Certification Exam Platform" interface. The main heading is "Sangfor Certification Exam Platform". Below the heading are three tabs: "All", "In progress", and "Ended". The "Ended" tab is selected. The main content area displays "Sangfor Certified Technical Associate - Cyber Command" and "Date: Fri Jun 07 2024 - Tue Dec 31 2024". A "Download certificate" button is highlighted with a red box. Below the date, there is a progress bar with three steps: 1. Register, 2. Theory exam (with a "View results" link), and 3. Lab exam (with a "View results" link).

Path 2: Login to **Sangfor Community** > **Self Services** > **Information Search** > **Partner Certification**

Click **View Certification**, then you will see your certificate. Right-click on the certificate and select **Save image**. You can save the certificate on your PC.
